ART DOCENT

LWSD Art Docent Program	The Lake Washington School District has developed a full set of 7 art lessons per grade for Art Docent use.	https://www.lwsd.org/get-involved/parent-community-partnerships/art-docent
Deep Space Sparkle	Deep Space Sparkle has been adopted as curriculum in LWSD. Teachers will be leading the lessons, but docents can help prepare materials and act as art helpers. The website has a lot of lesson ideas and blog posts outside of the curriculum that are available without a login.	https://www.deepspacesparkle.com
Bright Hub Education - Art Activities and Lessons for Special Education	Selection of projects and guidance for working with special needs students. NOTE: This site is heavily ad-supported, some of which may have audio.	https://www.brighthubeducation.com/special-ed-inclusion-strategies/125732-guide-to-modified-art-activities-and-lesson-plans/
Mrs. Brown's Art Class	Lessons are organized by grade level from K-5. Some lessons have associated PowerPoint presentations.	https://www.mrsbrownart.com/index.htm
KinderArt - Art for Children and Adults with Disabilities	A curated list of art projects as well as tips for completing lessons successfully.	https://kinderart.com/blog/special/
